CCEA Process for Filling Reported Vacancies

- CCEA will reach out to the next educator(s) from the election process of the current SOT term.
- The educator(s) will be asked if they would like to serve the remainder of the SOT term.
- If a runoff election is needed, notification to educators and the school precinct will take place.
- When the school precinct has a new educator joining the SOT due to vacancy, they will be a full participant and voting member until the conclusion of the term.

The SOT term is October 1st through September 30th of each year.
